“2021, Año de la Independencia”

**Tuxtla Gutiérrez, Chiapas
October 2021**

Dear all

As part of the strategies and public policies that the Government of Chiapas implements to strengthen its companies and derived from the great potential that the state's products have to enter different competitive markets, the Ministry of Economy of Chiapas has decided to carry out at the 10th November, the 4th Business Meeting of 2021 in the City of Tuxtla Gutiérrez, Chiapas; this event is planned to be held virtually and in person.

In this space, buyers and suppliers will have the opportunity to negotiate directly with each other in a space of 20 minutes at each appointment.

Therefore, I would like to extend a cordial invitation to participate as a buyer in said event where you will have the opportunity to negotiate with at least 15 suppliers in a single day, from 09:00 to 18:00.

It is important to mention that a digital platform will be used for scheduling appointments, so it is necessary to share information with us regarding your product requirements, as well as purchase policies; this is to make the correct link between supply and demand. Therefore, I request in the most attentive way to confirm your participation before November 5th.

I leave at your disposal for questions and comments the information of Mrs. Iseleng Chong Chiu, 52 (961) 69 14700 ext. 66079, Mr. Julio Bazán at ext. 66117. All will be available at business hours from Monday to Friday from 10:00 a.m. to 4:00 p.m., or to the emails dcie.economia@gmail.com and dcie.eventos@gmail.com.

Without further ado, I send you a cordial greeting.
