Preliminary Program of the Third Business forum of Brcko District of Bosnia and Herzegovina

Under the auspices of the Government of the Brcko District of Bosnia and Herzegovina, and organized by the Association of Accountants, Forensics and Auditors of the Brcko District of Bosnia and Herzegovina, the organization of the Third Business forum of the Brcko District of Bosnia and Herzegovina is planned for the third, fourth and the fifth of October 2019. The core theme is the Diaspora for Partnership.

The main topic of the business forum: Diaspora for Partnership.

The forum will provide an opportunity for business networking and exploration of investment opportunities in the Brcko District of Bosnia and Herzegovina and Bosnia and Herzegovina. At this year's gathering, we will also present investments in cooperation with the diaspora of Bosnia and Herzegovina and the strategy of the Brcko District of Bosnia and Herzegovina for cooperation with the diaspora. Including available technical support, grants and lines of credit to investors from the diaspora and the country. The Business Forum will serve as the first address for investors and launch a platform for connecting the diaspora of Bosnia and Herzegovina in the form of a partnership.

Potential topics to discuss are:

1. Cultural heritage of Brcko District of Bosnia and Herzegovina, exchange of experiences and good practices
2. Healthcare and Insurance System of Brcko District of Bosnia and Herzegovina - status and directions of possible reform
3. Importance of foreign direct investment for economic development of the region and promotion of employment, women in entrepreneurship
4. Greater presence of developed countries in order to strengthen the stability of the region

The Business Forum is planned to be held in the House of Culture of the Brcko District of Bosnia and Herzegovina. Participant registration starts on 26.08.2019. and lasts until 02.10.2019.

The vision of the forum is to ensure, through a business meeting, the contact between our and foreign business people, companies and investors with the aim of realizing their ideas and improving the economic environment of the Brcko District of Bosnia and Herzegovina.

The mission of the forum is to bring together as many reputable participants as possible from the representatives of the authorities of the Brcko District of Bosnia and Herzegovina, academic communities, state officials, diplomatic staff, chambers of commerce, businessmen, farmers and investors.

The idea behind the Business forum of Brcko District of Bosnia and Herzegovina is to nurture the bond between the relevant participants and thus introduce the concept of a new development cycle of Brcko District of Bosnia and Herzegovina, which will inherit on one system of partnership of institutions of government, economy and higher education in the function of economic development of Brcko District of Bosnia and Herzegovina. The primary goal is through dialogue, discussion and exchange of ideas, to become a recognizable place, as an important business and investment event for the region to disseminate knowledge and business ideas. The wish of the Organizing Committee is that the primary conclusion of the Business forum is to strengthen the private sector by stimulating entrepreneurship, increasing competitiveness, applying modern technologies, better integration into the globalization process and attracting quality investors, so that in the future this forum will be given the title of investment forum with the aim of improving the quality of life of all citizens of the Brcko District of Bosnia and Herzegovina.
